

SERIES 750 CASEMENT WINDOW

Single Vent Casement

- Insulated glass panels with optimum thermal air space featuring Warm-Edge spacer system.
- Brick mould exterior frame design, the profile of choice among builders, architects and homeowners.
- Multi-seal weather protection provides multiple barriers and maximum defense against air and water infiltration.
- State-of-the-art low-profile lock handle provides a popular aesthetic appeal.
- Multi-point locking system provides superior pull-in mechanism with single lever.
- Sash cranks open 90° for easy cleaning.

- Complementary awning, picture window and architectural shapes allow for same family window schedule for any home design.
- Slim-line mullion design — continuous head and sill design provides for modular sizing.
- Precision mitered, fusion-welded corners provide superior structural strength and weather resistance.
- Multi-chambered frame assembly improves thermal performance and helps enhance sound absorbency.
- **Series 755 Awning window also available.**
- **Limited Lifetime Warranty.**

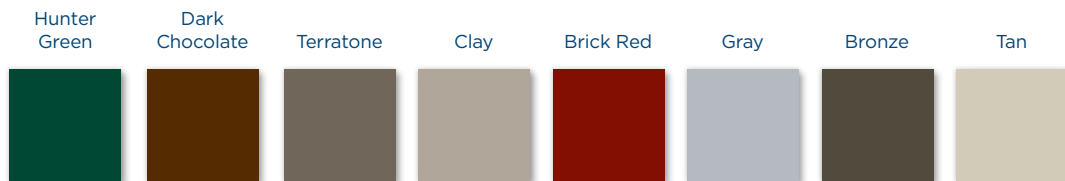

Single Vent Awning

COLOR Options*

PAINTED Colors*

Popular brick mould exterior profile for maximum curb appeal.

State-of-the-art hardware adds aesthetic appeal and smooth, easy operation.

Integrated nail fin is pre-punched to target proper nail location for quick, easy installation.

Painted colors only available with 5/8" contoured and SDL grid. Only use mild, water based household cleaner on painted product and rinse immediately with water. See full cleaning instructions for details. Blinds, operators and glass panels available in white only.

Options
